FOR SOCIAL RESPONSIBILITY

### Ages:

- Any players still in high school or under the age of 18 are not allowed to participate in any YMCA Adult Leagues.
- If a member of your team has played collegiately in the previous 5 years, your team must play in the highest division.
- League players are allowed to play on **one** team only.
- Any team that plays with an ineligible player will automatically lose that game **and** all previous games.

### League Dues:

- In order to be eligible for competition, fees must be paid and a complete roster must be submitted to the YMCA office by the appropriate deadline.
- Substitute players may be used, but there will be a \$10 fee per game for the sub. This fee must be payed before competition, and the captain must note it on the sign-in sheet before the game.
- If the league has a tournament at the conclusion of the tournament, a player must have competed in **at least one game** prior to the tournament. Players are not allowed to be added to the tournament roster at any point if they have not competed a regular season game.

**\*Any team that plays with an ineligible player will be immediately disqualified from their current game and any future games. Teams are also subject to suspension from future leagues at the discretion of the Sports Director.**
